‡ see membrane 15v Carrying Services account

§ The rectory of Morden was appropriated to Westminster abbey in 1301 (see WAM 1863), and a vicar was appointed. In 1331 the bishop regulated the portions payable to the vicar, which included a quarter of wheat and a quarter of beans (see WAM 1851). It is clear from this account that this payment in kind was already being paid to the vicar.
