Suffragette garden party

2-5 pm

Dorset Hall

152 Kingston Rd, London
SW19 3NQ

Be inspired by past and present speeches on social equality at a dynamic re-imagining of Rose Lamartine Yates' bold garden party to celebrate 100 years of women winning the right to vote.

Many of the women attending the original garden party had gone on hunger strike campaigning for women's suffrage. To remember their campaign, we invite you to go on a 24-hour hunger strike before the Garden Party — consider being sponsored, or make a donation to a Merton charity empowering women.
