DORSE

Rectory of Morden: Issues of the grange at the same place of the rectory 31<sup>st</sup> year.

**Wheat** The same answers for 11 quarters wheat received of the total issue of tithe threshed by piecwork. And for 2 bushels 3 pecks of increment of heaped measure. Sum 11 quarters 2 bushels 3 pecks.

Of which delivered to the vicar of Morden for his pension 2 quarters of which 1 quarter in place of beans. In baking bread for expenses of 1 rider, 1 tithe collector, 1 carter, 1 pitcher, 1 stacker and cellarer in harvest 1 quarter. In sale as within 8 quarters 3 pecks. In gain given to the buyer [*avant' dat' empt*] for the same 2 bushels.<sup>†</sup> Sum as above. And it balances.

<sup>†</sup> *Avantagium* = profit, gain, the difference between razed/struck and heaped measure. The meaning here seems to be that the buyer paid for 8 quarters 3 pecks but received 8 quarters 2 bushels 3 pecks. Corn was measured by volume.
