AFTER
The Peace Celebrations—

REMEMBER THAT :

If all the trees in all the woods were men,
And each and every blade of grass a pen ;
If every leaf on every shrub and tree
Turned to a sheet of foolscap, every sea
Were changed to ink, and all earth's living tribes
Had nothing else to do but act as scribes ;
And for ten thousand ages, day and night,
The human race should write, and write, and write
Till all the pens and paper were used up,
And each great inkstand were an empty cup,
Still would our customers cluster round our door,
Call for more pens, more paper, and ink yet more
And send us orders by the thousand score.
